## Triceps Rope

Item SKU: VTR-36

### Product Features:

- Heavy duty polyester, braided fibers
- Rotating center steel flange
- Solid ABS Polymer ends
- Distinctive black and orange design
- Product/Shipping Weight: 1.76lbs

**Product Description:** Our strongest ever VTX triceps rope is made from heavy duty, polyester fibers that are both moisture and fray resistant and can withstand 1,500pounds of pressure. Like our VTX training ropes (ROPE1-40G/ROPE2-50G), the distinctive orange and black weave design is clearly identifiable. Each solid polymer end is permanently attached and labeled with the VTX logo. Contract your sales rep, request a quote or click the Talk to Troy icon to learn more about the all new VTR-36.
